

Our Toy Safety Certificate

EN71-3:2019

Better for the environment and healthier to live with, our eco friendly paints are certified as child friendly too! Independently tested to meet the latest Toy Safety Standard (EN71-3:2019), this means our paints are safe to use in babies' and children's rooms as well as on toys, cots and other furniture.

The following products have been tested and approved:

Claypaint

Eco Chic

Lifestyle

Eggshell No.17
